LETTER OF MAP AMENDMENT
218-70-RS

IN REPLY REFER TO CASE NO.: 98-05-6532A

Community: Auglaize County, Ohio
(Unincorporated Areas)

Community No.: 390761

Map Panel Affected: Auglaize County,
Ohio and Incorporated Areas

Number: 39011C0090 C

Map Effective Date: September 6, 1989

We reviewed a request dated August 26, 1998, for a Letter of Map Amendment (LOMA). All required information for this request was received on September 1, 1998. Using the information submitted and the effective National Flood Insurance Program (NFIP) map, we determined that a portion of the property described below is located in the Special Flood Hazard Area (SFHA), an area that would be inundated by the flood having a 1-percent chance of being equaled or exceeded in any given year (base flood); however, the structure on the property is not in the SFHA.

Property Description:	Lot 43, Southmoor Shores Subdivision, as recorded in a Warranty Deed Document No. 07461, Volume 307, Page 446 on November 15, 1997, in the Auglaize County Recorder's Office
Street Address:	43 Causeway Drive
Flooding Source:	Grand Lake St. Marys

This letter amends the above-referenced NFIP map to remove the structure from the SFHA. The structure is now located in Zone X (unshaded). Flood insurance coverage for the structure may be available under a low-cost policy (see enclosed document). Because portions of the property remain in the SFHA, any future construction or substantial improvement on the property remains subject to Federal, State, and local regulations for floodplain management.

An additional enclosed document provides information about LOMAs. If you have any questions about this letter, please contact Ms. Helen Cohn of our staff in Washington, D.C., either by telephone at (202) 646-3457 or by facsimile at (202) 646-4596.
