LETTER OF MAP AMENDMENT  
218-70-RS

IN REPLY REFER TO CASE NO.: 99-05-1438A

Community: Auglaize County, Ohio  
(Unincorporated Areas)  
Community No.: 390761  
Map Panel Affected: Auglaize County,  
Ohio and Incorporated Areas  
Number: 39011C0090 C  
Map Effective Date: September 6, 1989

We reviewed a request dated November 30, 1998, for a Letter of Map Amendment (LOMA). All required information for this request was received on December 7, 1998. Using the information submitted and the effective National Flood Insurance Program (NFIP) map, we determined that a portion of the property described below is located in the Special Flood Hazard Area (SFHA), an area that would be inundated by the flood having a 1-percent chance of being equaled or exceeded in any given year (base flood); however, the structure on the property is not in the SFHA.

|                       |  |
|-----------------------|--|
| Property Description: | Lot 112, Block "D", Southmoor Shores Subdivision, as described and recorded in a Corporation Deed Document No. 9460, Volume 262, Pages 246-248 by the Auglaize County Recorder on May 19, 1983 |
| Street Address:       | 112 Marbellow Court  |
| Flooding Source:      | Grand Lake St. Marys   |

This letter amends the above-referenced NFIP map to remove the structure from the SFHA. The structure is now located in Zone X (unshaded). Flood insurance coverage for the structure may be available under a low-cost policy (see enclosed document). Because portions of the property remain in the SFHA, any future construction or substantial improvement on the property remains subject to Federal, State, and local regulations for floodplain management.

An additional enclosed document provides information about LOMAs. If you have any questions about this letter, please contact Helen Cohn of our staff in Washington, D.C., either by telephone at (202) 646-3457 or by facsimile at (202) 646-4596.

Sincerely,

Matthew B. Miller, P.E., Chief  
Hazards Study Branch  
Mitigation Directorate
