Douglas Reinhart
COUNTY ENGINEER

**Proposed Development of Arrowhead Lakes
Section 34 Duchouquet Township, Auglaize County
East of Cemetery Road**

June 25, 2019

This proposed improvement is east of Cemetery Road generally along the north side of Quaker Run. FEMA Flood Plain map # 39011C0105C (attached) clearly shows zone AE as stopping @ the Quaker Run Crossing of Interstate 75 which is in excess of a ¼ mile downstream of the proposed development.

Zone X that is shaded continues upstream from Interstate 75 but stops short of Cemetery Road.

Therefore based upon the FEMA flood plain mapping, the proposed development is in not within the FEMA flood zone but located in Zone X.

A handwritten signature in black ink, appearing to read 'D. Reinhart'.

**Douglas Reinhart, P.E., P.S.
Auglaize County Engineer
Auglaize County Flood Plain Coordinator**
