THIS LETTER

Gentlemen,

Enclosed are Elevation Certificates and accompanying documentation for 79 lots in the Southmoor Shores Subdivision located in Section 17 of St. Marys Township, Auglaize County, Ohio. Southmoor Shores was established in May of 1969 prior to the Flood Insurance Rate Maps.

This material is being forwarded to your office by the Auglaize County Engineer for your review and consideration. This is to request a conditional letter of map amendment (LOMA) on those lots that qualify.

The actual field work for these Elevation Certificates was performed by a registered surveyor in the State of Ohio as stamped.

If there is any further information required for this request please contact the Auglaize County Engineer's Office at the above address.

Respectfully submitted,

*Douglas Reinhart*
