**Subject:** flood information  
John,

Per our discussion last week, here is the information.

The Benchmark is located on the Northwest Wingwall of the Glynwood Road Bridge over the St. Marys River. ELEV. = 844.84 ft.  
This bridge is located approximately 300 feet west of residence listed below.

The 100-year flood elevation at 3292 Glynwood Road, St. Marys, OH 45885 is ELEV. = 844.50 ft.

Let me know if you need anything else.

Matt
