Survey of part of O.L. # 16, New Bremen, Ohio Deed Book 237 Page 567

The survey of part of O.L.# 16 in New Bremen as recorded in Survey Book & Page of the Auglaize County Survey Records was established as follows:

- 1) The center of Franklin Street and the north line of O.L.# 15 was set by recovering the existing iron pins and pipes set on the lot corners both east and west of Franklin Street and south of Sycamore Street.
- 2) By using the existing curbs on Franklin Street.
- 3) By using the existing deed and subtracting the exceptions.
- 4) The south line of O.L.# 16 was set by a combination of prorated platted measurements, existing features and prior deeds.
- 5) I am in disagreement with the survey of the center line of Sycamore Street and an adjacent lot by 5' north and south and 3' east and west.
- 6) The lines as surveyed match all existing corners and curbs with 0.3 ft.
