SURVEY OF LOT 297 & 6° OFF NORTH SIDE OF LOT 298, IN THE VILLAGE OF NEW BREMEN, AUGLAIZE COUNTY, OHIO.

Being Lot No. 297 & 6' in width off the entire North side of Lot No. 298, in the Village of New Bremen, German Township, Auglaize County, Ohio.

The purpose of this drawing is to locate and identify all existing bulidings and structures located on said premises. It is intended to be used by the lender or said financial institution as an instrument for their particular intrest in the transaction between themselves and the borrower. This inspection should not be used by the property owner in determining boundary lines or property lines or for any other purpose. I hereby certify that on December 30th, 1995, a visual inspection of the above premises was made by me, no new construction material was observed, nor were there any evidence of new construction with—in the past sixty (60) days hereof, that there are no apparent boundary line disputes or building encroachments and that there are iron pins at all corners set by me. According to the Flood Insurance Rate Map, by the Federal Emergency Management Agency, Map No. 39011C0175 C, this tract is located in Zone "X", outside the 500 year flood plain.

This Mortgage Inspection Survey was prepared in accordance with Chapter 4733—38, Ohio Administrative Code and is a Boundary Survey pursuant to Chapter 4737, Ohio Administrative Code.

This plat is recorded in Survey Book "K", page 178, in the Auglaize County Engineer's Office.
