The following described tract of land is situated in the southwest Quarter of Section twenty-nine Township six South, Range seven East, Clay Township, Auglaize County, Ohio.

Beginning at the monument box found at the southwest corner of said quarter in the centerline of Southland Road; thence East (N 90° 00' 00" E), along the centerline of said Road, and the south line of said quarter, three hundred fifty-one and sixty-three hundredths (351.63) feet to a PK nail set at THE PLACE OF BEGINNING; thence East (N 90° 00' 00" E) two hundred forty-one and zero hundredths (241.00) feet to a PK nail set; thence North zero degrees zero minutes thirty-six seconds East (N 0° 00' 36" E) seven hundred twenty-three and zero hundredths (723.00) feet to a 1/2 inch re-rod set; thence West (N 90° 00' 00" W) two hundred forty-one and zero hundredths (241.00) feet to a 1/2 inch re-rod set; thence South zero degrees zero minutes thirty-six seconds West (S 0° 00' 36" W) seven hundred twenty-three and zero hundredths (723.00) feet to the place of beginning containing four and zero thousandths (4.000) acres, more or less, subject to legal highways and all easements and restrictions of record.

All 1/2" re-rods set, as called for above, are thirty (30) inches long, are set flush or below the surface, and are topped with a plastic Permamark® cap stamped "LS 5772". This description and accompanying plat represents a boundary survey completed under my supervision on October 2, 1996 and all markers called for above are in place.
