This day came M. A. Murdock and R. D. Marshall the duly authorized agents, and filed a petition, signed by forty six persons, with a plat of the territory proposed to be incorporated, in said Village of Endersville, which said petition and plat, were ordered to be filed in the Auditor's Office of this County to be there kept subject to the inspection of any person or persons interested in said Corporation. It is hereby determined and ordered that said petition be set for hearing on Thursday the 9th day of December A.D. 1869, at 9 o'clock A.M. The said Agents are ordered to have notice of the hearing of said petition published according to law; And afterwards to wit: On the 11th day of December A.D. 1869 the following proceedings were had, viz: In the matter of the incorporation of the Town of Endersville Ohio. This matter came on to be heard upon the petition and Map of the Territory proposed to be included in said Corporation and evidence, and the Commissioners do that the petition contains all the matter required by law, and that its statements are true, and that the name proposed for such Corporation is appropriate, that the limits thereof have been accurately described, and that the same are not unreasonably large or small, and that the map or plat thereof is accurately made, that the persons whose names are subscribed thereto are legal voters residing in said Territory, and are satisfied that the notice heretofore ordered and required by law, has been given by the said Agents, and that there is the requisite population for such Corporation. It is therefore ordered, by the Commissioners, that the prayer of said petitioners be granted, and that the Corporation as named ^{and} asked for in said petition be organized, and it is further ordered that a full and complete transcript of all the proceedings be made, sent and signed and delivered, together with the petition and map, and all other papers on file, to the Recorder of this County.
