

Knopville

Town of Knopville, as laid out by James K. Lytle, Proprietor.

Scale of lots: 16 rods to the inch.

Scale of Streets and Alleys: 8 rods to the inch.

The town of Knopville is laid off in a piece of land embracing the corner of Section No. twenty-nine & thirty, town six south, range five east, on the north side of the section. The lots are all 66 feet wide and 132 feet deep: the streets and alleys all cross each other at right angles and run with the cardinal points. A monument is planted at the South east corner of Lot No. One. Main street & Bremen street are each four rods wide: the others are three rods wide: the alleys are one rod wide. Lot No. Seven is donated for the purpose of building a School House.

I do hereby certify the within plat of the Town of Knopville as laid off and surveyed by me for James K. Lytle, proprietor, July 30th. AD 1836.

H. Dawson, Surveyor of Allen County, Ohio.

State of Ohio, Allen County, ss.

Before me Hamilton Dawson, a Notary Public within and for the county aforesaid personally came James K. Lytle, the proprietor of the within described town, and acknowledged that he had laid off the same agreeable to the within plat and desires that the same might be recorded.
