

Fraction 15, Sect. 3, T6. R4.

Plat and survey of Fraction No. 15 of Section No. 3 three, town six (6), range four (4) east. This map shows that said Fraction is divided in nine lots and an alley running from Front Street in a angle to South Street. The distances of this map are given in links and the number of links are put on each lot. The alleys are 12 feet or 18 links wide. This is a correct and true survey.
