

These two plats represent Block No. 15 of the East Addition and the Fraction No. 19, all of the town of St. Marys, Auglaize County, Ohio. The object thereof is to show that plat No. 1 represents the tracts of land above mentioned, and the plat No. 2 represents the tracts of land after alteration by putting both tracts of land into one body and then subdividing this tract again into six lots. The size and distances of six lots and alley are given on plat, also the number of lots. Scale $\frac{3}{8}$ inch to 25 feet. I certify this is a true and correct survey done this 2d day of March 1881, by

Wm. Limbacher.
 Civil Engr.

The above alteration was ordered by the undersigned and a petition to the council of the above mentioned town for a permission to make said alteration was granted on the 5th day of April 1881.

J. L. Chipman
 Proprietor.

Permission to vacate alley running north and south between six lots Nos. 3+4 Block No. 15 East Add. and to open up an alley 16 feet wide running east and west through Block No. 15 and Fraction No. 19 as shown by plat on page 149 Record book, was granted by the council of incorporated village of St. Marys on the 5th day of April 1881.
