County, Ohio.

Insofar as the records of the action taken by the County Commissioners is not available for the period in question, September, 1912, we have suggested in conference with yourself and Mr. Westerbeck, of the County Commissioners of Auglaize County, that insofar as the action taken by the Village of New Bremen through Ordinance No. 628 and the representations made on the plat recorded September 17, 1912, and in the absence of any record of action to the contrary by the County Commissioners, it may be assumed that the matter was duly prosecuted and the annexation completed according to law and with the approval of the County Commissioners.
